

To compliment the AGB rankings system and make the season a bit more exciting myself and Paul Gregory from Southampton AC have secured sponsorship from the "Longbow Shop" in the form of winners trophies and 2nd 3rd medals in the following categories. GMB, MB, Bowmen and below, for both Ladies and Gents. These are based on your classification at the start of the season. I have been in discussion with Jon Nott of AGB and he is in full support and has offered his assistance and publicity.

The website is ready at <https://sites.google.com/view/uk-longbow-ranking/home>

The required rounds to gain a ranking and league position for both Longbow and Barebow are....2 x WA720 rounds 2 x wa1440 rounds and 1 x York/Hereford (depending on whether Gent or Lady)

These must be Record status tournaments.

I will be entering the results from published scores and also Jon Nott informs me that there will be a page on the AGB site for Longbow archers to submit their scores throughout the season, these will be mailed to me (and entered as provisional results until I see the tournament results published) Jon Nott expressed a desire to increase the competing longbow archers from 37 (on last years rankings table) to 100. This is something we will strive to do.

An important part of our league is that we are rewarding 1st 2nd and 3rd in all classes which gives much more encouragement to those climbing up the ladder so to speak. We view this first year as very much work in progress and would like to develop the league with maybe adding a Championship division for Archers up to 1st class with shorter distance tournaments NON record status and also a junior league

Look forward to hearing your views
